Proposal for a
COUNCIL REGULATION (EEC)

maintaining in force the system of authorizations of
imports into Germany of certain yarn and twine originating in
Yugoslavia

(submitted to the Council by the Commission)

COM(77) 286 final.

EXPLANATORY MEMORANDUM

The German Government requested the Commission on 20 May to initiate immediately on the basis of Article 12 of Regulation 1439/74 (1) and Article III paragraph 3 of the EEC-Yugoslavia Agreement, safeguard measures in respect of imports of yarn of true hemp (Nimexe 59.05-19) and twine of true hemp (Nimexe 59.04-50) or of flax or ramie (Nimexe 59.04-60) from Yugoslavia, which had increased to such an extent as to threaten the survival of this sector of German industry.

In these circumstances and after an unanimous opinion in favour by the appropriate advisory committee, the Commission, by Regulation (EEC) 1144/77 (2), made imports to Germany of certain yarn and twine from Yugoslavia subject to quota.

The Commission considers that these measures should be maintained in effect and, in accordance with Article 12, paragraph 6 of Regulation (EEC) 1439/77 of the Council on common rules for imports, submits herewith to the Council its proposal for a Regulation concerning the appropriate measures to be taken.
