COM(82) 725 final

Modifications to the proposal for a Council Decision adopting a modification for the year 1983 in the research programme to be implemented by the Joint Research Centre for the European Atomic Energy Community and for the European Economic Community (1980 to 1983)

At the end of Article 4, insert the following articles :

Article 4 (a)

"The Joint Research Centre shall be responsible for co-ordinating with national reactor safety programmes in the framework of the Super Sara project, with the objective of eliminating unnecessary duplication and shortening the timescale of individual stages of the project."

Article 4 (b)

"The Commission shall be responsible for new agreements for co-ordinated programmes with the US Nuclear Regulatory Agency and the Japanese Nuclear Energy Commission in concerted actions of nuclear safety and technical exchanges."

Article 4 (c)

"The Commission shall submit to Council and Parliament a critical analysis by independent experts of the programmes undertaken by the Joint Research Centre before the communication of the Multi-annual Programme 1987-1990."
