36 rue la Pérouse, Paris XVI. (Carnot 08.00).

VOLUNTARY BODIES IN THE UNITED KINGDOM

(A comprehensive guide to bodies working in the fields of international understanding is given in: **Education for International Understanding**, Parliamentary Group for World Government, House of Commons, SW1, June, 1960. 1/6).

Britain in Europe/Europe House

43 Parliament Street, London, SW1. (Whitehall 0522).

An organization, supported by both sides of industry, created to study the effects of European economic developments particularly in relation to the United Kingdom: publishes a monthly Newsletter; the occasional European Labour Bulletin; commissions studies on detailed problems; and organizes lectures and courses.

British Society for International Understanding

Benjamin Franklin House, 36 Craven Street, London, WC2. (Whitehall 0555).

Publishes 'The British Survey', which devotes occasional issues to European affairs. It also has an information and lecture service.

Common Market Campaign

13 Chester Square, London, SW1. (Sloane 4232).

Set up in 1961 to urge British membership of the Community. Publications and speakers.

Council for Education in World Citizenship

25 Charles Street, London, W1. (Grosvenor 2784).

An organization of the United Nations Association, the Council organizes meetings on European affairs from time to time and supplies lecturers and literature on current topics for schools.

European Atlantic Group

61 Gloucester Place, London, W1. (Welbeck 9753).

The Group organizes meetings in London on current European and Atlantic questions, and publishes the bi-monthly *European-Atlantic Review*.

Federal Trust for Education and Research Federal Union

10 Wyndham Place, London, W1. (Paddington 6679/0).

These two associated bodies publish a regular periodical *World Affairs*, and studies on European developments from a Federalist viewpoint; organize courses and supply speakers on European topics.

Political and Economic Planning (P.E.P.)

16 Queen Anne's Gate, London, SW1. (Whitehall 7245).

An independent, non-party organization which publishes studies on current European economic and political developments and a series of 'Occasional Papers' arising out of a study now being undertaken on Britain and the European Market.

The European-Atlantic Movement for Education in Atlantic Citizenship (T.E.A.M.)

7 Cathedral Close, Exeter, Devon (Exeter 74727).

Organizes conferences on European and Atlantic topics, and visits to the headquarters of international organizations in Europe. Also speakers and literature.

UK Council of the European Movement

38 Parliament Street, London, SW1. (Whitehall 2842).

Publishes occasional pamphlets on various aspects of the United Kingdom's relations with Europe, organizes conferences and supplies speakers on the same topics.

Community Topics

An occasional series of documents on the current work of the three European Communities – European Economic Community (Common Market), European Atomic Energy Community (Euratom) and the European Coal and Steel Community (ECSC).

No. 1 The Common Market, 1960-1

(Introduction to the Fourth General Report of the Commission of the European Economic Community)

No. 2 Economic integration and political unity in Europe by Walter Hallstein

Details of further numbers in this series will be announced in the 'Bulletin from the European Community'. Enquiries about this and other publications of the Information Service of the European Communities – which are available free of charge – should be made to:

Information Service of the European Communities
23 Chesham Street London SW1
BELgravia 4904
