Each licence application shall be accompanied by proof of payment of the fee for the period of the licence's validity. Payment shall be made into the account opened with the Public Treasury of Guinea.

Licences for all vessels shall be issued by the Guinean authorities within 30 days following receipt of proof of payment as laid down above to the shipowners or their representatives via the Delegation of the Commission of the European Communities in Guinea.

Licences shall be issued for a specific vessel and shall not be transferable. However, where force majeure is proven and at the request of the European

Community, a vessel's licence shall be replaced by a new licence for another vessel whose features are similar to those of the first vessel. The owner of the first vessel shall return the cancelled licence to the Office of the Ministry for Fisheries of the Republic of Guinea via the authorities of the Commission of the European Communities.

The new licence shall indicate:

- the date of issue,
- the validity of the new licence, covering the period from the date of arrival of the replacement vessel to the date of expiry of the licence of the replaced vessel.

In this case, no fee as laid down in the second subparagraph of Article 5 of the Agreement shall be due for unexpired periods of validity.

The licence must be held on board at all times.

- 1. Provisions applicable to trawlers
 - 1. Each vessel shall be obliged to report to the port of Conakry once a year, prior to the issue of the licence, to undergo the inspection laid down by the rules and regulations currently in force. Inspections shall be carried out exclusively by duly authorized persons and must be effected within 24 working hours of arrival of the vessel in port if arrival has been announced at least 48 hours in advance. If the licence is renewed during the same calendar year the vessel shall be exempt from further inspection.
 - 2. Each vessel must be represented by an agent of Guinean nationality, established in Guinea.
 - 3. (a) For the duration of this Protocol the fees for annual licences shall be as follows:
 - ECU 126/grt per year for fin-fish trawlers,
 - ECU 150/grt per year for cephalopod trawlers,

 - ECU 82/grt per half-year for fin-fish trawlers,
 - ECU 97/grt per half-year for cephalopod trawlers,
 - ECU 99/grt per half-year for shrimp trawlers.

- II. Provisions applicable to tuna vessels and surface longliners
 - (a) The annual fees shall be ECU 20 per tonne caught within Guinea's fishing zone.
 - (b) Licences shall be issued following payment to the Office of the **Ministry** for Fisheries of a lump sum of ECU 1 500 a year for each tuna seiner and ECU 300 a year for each pole-and-line tuna vessel and surface longliner, equivalent to the fees for:
 - -- 75 tonnes of tuna caught per year in the case of seiners,
 - -- 15 tonnes caught per year in the case of pole-and-line tuna vessels and surface longliners.

The final statement of the fees due for the fishing period shall be drawn up by the Commission of the European Communities at the end of each calendar year on the basis of the eatch statements made for each vessel and confirmed by the scientific institutes responsible for verifying catch data (Orstom and Spanish Institute of Oceanography) (IEO)). The statement shall be forwarded simultaneously to the Office of the Ministry for Fisheries and to the shipowners. Any additional payment due shall be made by the shipowners to the Office of the Ministry for Fisheries of Guinea no later than 30 days after notification of the final statement, to be paid into the account opened with the Public Treasury of Guinea.

However, if the amount of the final statement is lower than the abovementioned amount, the resulting balance shall not be reimbursable.
