COMMISSION OF THE EUROPEAN COMMUNITIES

Brussels, 5.5.2008  
COM(2008) 244 final

Proposal for a

**COUNCIL DECISION**

**amending the proposal for a Council Decision on the signing and conclusion by the  
European Community of the International Coffee Agreement 2007**

(presented by the Commission)

## **EXPLANATORY MEMORANDUM**

On 27 March 2008 the Commission adopted the proposal for a decision on the signing and conclusion by the European Community of the International Coffee Agreement 2007. The Commission document carried the reference COM(2008)157 final. It was sent to the Council for adoption.

It should, however, be pointed out that special provisions appear in Article 40(4) of the International Coffee Agreement 2007 concerning the position of the European Community and the deposit of an official declaration confirming its exclusive competence.

As the proposal already approved did not include that declaration of competence, it now needs to be amended so that the Council decision can cover the entire signing and conclusion procedure by the European Community.

The purpose of this proposal is therefore to amend the instrument contained in document COM(2008)157 final, submitted in the initial procedure, so that the declaration of competence in accordance with Article 40(4) of the Agreement is annexed and the wording of Article 2 amended accordingly. As Article 1 of the version already approved did not refer to the signing of the International Coffee Agreement, this reference is also added.

As an official ceremony is scheduled in London on 19 May 2008, it would be most appropriate for the Community to be able to sign and deposit the approval instrument, including the declaration of competence, on that date.

It is for this reason that an expedited procedure is requested so that the Council can take its decision before that date.
