Brussels, 4.11.2009
COM(2009)619 final

Proposal for a

COUNCIL DECISION

**on the financial contributions to be paid by the Member States to finance the European
Development Fund in 2010 and 2011**

EXPLANATORY MEMORANDUM

The Internal Agreement and Financial Regulation of the 10th EDF provide for a new procedure for the calls for contributions to be paid by Member States to finance the EDF. According to Article 157 of the Financial Regulation, this new procedure shall apply for the first time for the contributions of 2009.

In accordance with Article 57(2) of the Financial Regulation, this proposal covers:

- the ceiling for the annual amount of the contribution for 2011;
- the annual amount of the contribution for 2010; and
- the amount of the first instalment of the contribution for 2010.

In accordance with Article 57(7) of the Financial Regulation, the amount managed by the Commission and the amount managed by the EIB are specified separately.

In accordance with Article 145 of the Financial Regulation, the EIB has sent the Commission its updated estimates of commitments and payments under the instruments it manages.

In accordance with Article 57(2) of the Financial Regulation, the Council must decide on this proposal by 15 November 2009 and Member States must pay the first instalment of the contribution at the latest by 21 January 2010.

Article 58(2) of the Financial Regulation provides that calls for contributions first use up the amounts laid down for previous EDFs, one after the other. The calls for contributions in this proposal therefore concern amounts under the 9th EDF.

it is to be noted that Article 60(1) of the Financial Regulation provides that a Member State which fails to pay the instalment of the contribution due by the deadline will be required to pay interest on the amount unpaid; the arrangements for the payment of interest are specified in the same Article.
