(presented by the Commission)

EXPLANATORY MEMORANDUM

The purpose of this proposal for a Regulation, in accordance with Article 351 of the Act of Accession of Spain and Portugal, is to establish, for 1989, the quantities of fish which may be taken by vessels of Member States, with the exception of Spain and Portugal, in waters falling under the sovereignty or within the jurisdiction of Portugal, the numbers of such vessels, the type of fishing gear to be used and the period of fishing authorization for each species.

The accession arrangements provide that vessels of Member States, with the exception of Spain and Portugal, shall be allocated fishing possibilities in waters falling under the sovereignty or within the jurisdiction of Portugal, for a certain period and under certain conditions; it has also been provided that the number of vessels authorized to fish in these waters should be fixed annually, and that rules governing their access thereto should be laid down.

This proposal, replaces and modifies Council Regulation (EEC) N° 3947/88 of 11 December 1988, and incorporates certain clarifications. It should be adopted before the date on which the latter expires (31 December 1989).

Whereas, for 1990, no fishing possibilities for species not subject to TACs and quotas are granted to Portugal in the waters of the Member States apart from Spain;

Whereas the specific conditions governing the fishing activities of vessels exploiting stocks of highly migratory
