Proposal for a

COUNCIL REGULATION (EC)

terminating Council Regulation (EC) No 2472/94, suspending certain elements of the embargo on the Federal Republic of Yugoslavia (Serbia and Montenegro)

(presented by the Commission)

EXPLANATORY MEMORANDUM

By adopting resolution 943 (1994) the Security Council permitted the resumption of the ferry-service Bar - Bari, and the flights to and from Belgrade for a period of 100 days. The Community has implemented this resolution by Council Regulation (EC) No 2472/94 of 10 October 1994.

However, in paragraph 4 of that resolution the Security Council decided also that 'if at any time the Secretary-General reports that the authorities of the Federal Republic of Yugoslavia (Serbia and Montenegro) are not effectively implementing their decision to close the border, the suspension of the measures [i.e. ferry-service and flights] shall terminate on the fifth working day following the report of the Secretary-General, unless the Security Council decides to the contrary.'

In order to ensure that the Council Regulation which will terminate the permission for the ferry-service and flights will be adopted and published **on time**, the Commission already puts forward now a proposal for a Council Regulation to that effect.
