PROPOSAL FOR A COUNCIL DECISION
ON NOTIFICATION BY THE MEMBER STATES OF
WITHDRAWAL FROM THE CONVENTION ON THE VALUATION OF
GOODS FOR CUSTOMS PURPOSES OF 15 DECEMBER 1950

(submitted to the Council by the Commission)

EXPLANATORY MEMORANDUM

During its 574th session held on 2 and 3 April 1979 the Council stated that it was prepared to ensure that the "customs valuation code" finalised during the recent GATT negotiations in Geneva would be implemented by the Community on 1 July 1980.

Existing Community Law on customs valuation is based on the Convention signed in Brussels on 15 December 1950, to which all Member States are Contracting Parties.

The adoption of the new Agreement will require the withdrawal of the Member States from the Convention of 15 December 1950. According to Article XVI of the Convention withdrawal shall take effect one year after the date of receipt by the Belgian Ministry of Foreign Affairs of notice of withdrawal.

Accordingly it is appropriate that a decision should be taken that Member States should deposit their notifications of withdrawal, in the required form, not later than 30 June 1979.
