

COMMISSION OF THE EUROPEAN COMMUNITIES

Brussels, 29.09.1999
COM(1999) 455 final

Proposal for a

COUNCIL REGULATION

amending Regulation (EC) No 900/1999 prohibiting the sale and supply of petroleum and petroleum products to the Federal Republic of Yugoslavia

(presented by the Commission)

EXPLANATORY MEMORANDUM

In order to attain a sustainable solution to the Kosovo crisis the European Union has imposed several economic and financial sanctions against the Federal Republic of Yugoslavia (FRY).

Although a definitive solution has not yet been attained, developments in the Province of Kosovo and in the Republic of Montenegro point to the need of lifting of the oil embargo in respect of these two territories within the FRY in support of the political and economic reforms taking place.

The present proposal of the Commission for a Council Regulation aims at exempting the Province of Kosovo and the Republic of Montenegro from the oil embargo.

However, in order to avoid that this exemption will undermine the measures which will remain in force in respect of the rest of the FRY, provisions are proposed that should minimise the risk of such undermining.

Proposal for a

COUNCIL REGULATION

amending Regulation (EC) No 900/1999 prohibiting the sale and supply of petroleum and petroleum products to the Federal Republic of Yugoslavia

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Article 301 thereof,

Having regard to Common Position 1999/.../CFSP of .. September 1999, adopted by the Council on the basis of Article 15 of the Treaty on European Union, amending Common Position 1999/273/CFSP concerning a ban on the supply and sale of petroleum and petroleum products to the Federal Republic of Yugoslavia (FRY), and Common Position 1999/318/CFSP concerning additional restrictive measures against the Federal Republic of Yugoslavia,

Having regard to the proposal from the Commission,

Whereas:

- (1) the developments with regard to the Federal Republic of Yugoslavia permit a partial lifting of the oil embargo imposed by Regulation (EC) No 900/1999;
- (2) such partial lifting should not prejudice the remaining applicability of Regulation (EC) No 900/1999 with regard to the Federal Republic of Yugoslavia,

HAS ADOPTED THIS REGULATION:
