COM(79) 108 final

Brussels, 28 March 1979

PROPOSAL FOR A COUNCIL REGULATION AMENDING
COUNCIL REGULATION (EEC) N° 3059/78 ON COMMON
RULES FOR IMPORTS OF CERTAIN TEXTILE
PRODUCTS ORIGINATING IN THIRD COUNTRIES

(presented by the Commission to the Council)

EXPLANATORY MEMORANDUM

1. Council Regulation (EEC) N° 3059/78 of 21 December 1978¹ established common rules for imports into the Community of textile products originating in certain non-member countries.

These rules were introduced following the conclusion of bilateral agreements, and are valid until 1982.

Since the entry into force of the Regulation, it has appeared that a number of amendments are desirable in the following areas:

- a number of corrections are needed to improve the text of the Regulation itself;
- Annex I to the Regulation must be brought into line with the amending version of the Nimexe Code for 1979;
- Annex IV must be adjusted to take into account of the new quantitative limits concluded at the beginning of 1979;
- All Annexes must be amended to take account of the initialling of a further bilateral textile agreement, with Poland.

The attached proposal for a Regulation effecting these amendments is hereby submitted to the Council for adoption as soon as possible.

Article 3 (new)
(Poland)

1. Should a Member State consider that one of the textile products listed in Annex 1 is being imported into the Community from Poland at a price abnormally lower than the normal competitive amount, thus causing or threatening to cause serious harm to the Community producers of products which are similar or in direct competition, the Commission may request consultations with Poland.

2. In order to determine whether the price of a textile product is abnormally lower than the normal competitive amount, the price may be compared:

- with the prices of similar national products at a comparable stage in the marketing process on the market of the importing country;

- with the prices which are general for similar products sold under normal conditions by other exporting countries on the market of the importing country;
- with the lowest prices applied by a third country to the same product in the course of normal commercial transactions in the three months preceding the request for consultation, and which have not led to the adoption of any measure by the Community.

3. Should agreement not be reached during the consultations referred to in paragraph 1 above within a period of 30 days from the date on which consultations are requested by the Commission and pending a mutually satisfactory outcome of the consultations, the Commission, may, in accordance with the procedure provided for in Article 15, authorise the Member State concerned temporarily to suspend imports of the products in question.

4. In quite exceptional and grave circumstances, when deliveries of products imported from Poland are being effected in the Community at prices abnormally lower than the normal competitive level, and would be likely to cause damage which it would be difficult to repair, the Commission may, in accordance with the procedure provided for in Article 15, authorise the Member State concerned temporarily to suspend imports of the product in question pending a solution to be agreed in the course of consultations. The said consultations will be embarked on without delay, and, in any case within a period of five days from the date of the Commission's request.
