QUESTIONS TO THE COUNCIL OF THE EUROPEAN COMMUNITIES

1. Question by Mr NOE'

Subject: Iraqi military action against the Kurdish people

Does not the Council propose to make representations to the Government of Iraq with a view to ending all military action against the Kurdish people, granting them political autonomy and allowing the Red Cross to step in to supply the stricken population with food and medical supplies?

2. Question by Mr PATIJN

Subject: Action taken by France, the United Kingdom and the Federal Republic of Germany in infringement of the EEC Treaty

Does the Council not consider that the agreements made on 28 and 29 September in Washington by France, the United Kingdom and the Federal Republic of Germany with the US and Japan concerning export credits (which should be covered by Community trade policy) without prior consultation with, and in the absence of, the other Member States and the Commission constitutes an infringement of the EEC Treaty, and is the Council prepared to take steps to prevent similar occurrences in future? If not, why not?

QUESTIONS TO THE COMMISSION OF THE EUROPEAN COMMUNITIES

3. Question by Mr NORMANTON

Subject: Harmonization of the public medical services throughout the Community

The Commission is asked what steps it proposes to take to harmonize the public medical services throughout the Community to enable all residents of Member States to enjoy the same facilities?

4. Question by Sir Brandon RHYS WILLIAMS

Subject: Commission's proposals to reduce the overall balance-of-trade deficits in the member states

What proposals will the Commission now make for action by member countries or by Community institutions to prevent a decline in exchanges of goods and services between member states as well as falls in employment and investment in 1975, resulting from initiatives by national governments intended to reduce their overall balance-of-trade deficits?

5. Question by Lord O'HAGAN

Subject: Food prices in the E.E.C.

To what extent has the Community been able to stabilise food prices in the member states?

6. Question by Mr JAHN

Subject: Free access to environmental protection technology

Is the Commission prepared to ensure free access to environmental protection technology with the Community by establishing appropriate licensing procedures on the lines of the provisions contained in the Euratom Treaty?

7. Question by Mr COUSTE

Subject: Closer relations between the Community and Canada

Following the visit by Mr Pierre Elliot TRUDEAU, does the Commission intend strengthening and developing relations between the European Community and Canada, in particular by setting up, from the beginning of 1975, an external Office in Ottawa with adequate means at its disposal?

8. Question by Mr GIBBONS

Subject : Regulation 2609/74 on the sale for export of skimmed milk powder held by intervention agencies 1)

Does the Commission not think that the above Regulation will give unfair advantages to exporters purchasing from intervention stocks over exporters of privately held stocks and thus cause these latter stocks to be diverted into intervention storage ?

9. Question by Mr DELLA BRIOTTA

Subject: Increase in price of fertilizers in Italy

What does the Commission of the Communities think will be the effect on agricultural costs in Italy of the recent decision by the Italian government to authorize a substantial increase in the price of chemical fertilizers?
