PROPOSAL

from the Commission of the European Communities to the Council

for a regulation laying down, in respect of hops, the amount of the aid to
producers for the 1973 harvest

COUNCIL
OF THE
EUROPEAN COMMUNITIES

Brussels, 14 November, 1974

Mr Cornelis BERKHOUWER
President of the Assembly
Case postale 1601
LUXEMBOURG
(Grand Duchy of Luxembourg)

Dear Mr President,

I have the honour to inform you that, by letter of 5 November 1974 the Commission of the European Communities submitted to the Council a proposal for a Regulation (EEC) of the Council laying down, in respect of hops, the amount of the aid to producers for the 1973 harvest.

On 13 November 1974 the Council decided to consult the Assembly on this proposal, the text of which is attached (Doc. COM(74) 1477 final), and instructed me to forward this request for consultation to you.

At the same time it decided to consult the Economic and Social Committee.

Since this proposal is for aid for the 1973 harvest, the Council must act as soon as possible and not later than January 1975. The Council would therefore appreciate it if the Assembly could deliver its opinion during its December part-session.

Yours sincerely,

HOMMEL
Secretary-General
