OPINION OF THE COMMITTEE ON BUDGETS

Letter from the committee chairman to Mr AIGNER, chairman of the Committee on Budgetary Control

Subject : Opinion of the Committee on Budgets on the proposal for a Council regulation amending Regulation 1468/81 on mutual assistance between the administrative authorities of the Member States and cooperation between the latter and the Commission to ensure the correct application of the law on customs or agricultural matters (COM(85) 467 - Doc. C 2-105/85)

Dear Mr Aigner,

At its meeting of 20 March 1986, the Committee on Budgets considered the proposal in question.

It supported the Commission's proposals for increasing the resources available for combating fraud. In this connection, it noted that the principle of setting up 'flying squads' was accepted by the Committee on Budgets and by Parliament during the 1986 budget procedure.

It therefore approved the Commission's proposal.

Yours sincerely,

Jean-Pierre COT
