(presented by the Commission to the Council)

COM(80) 841 final

Explanatory Memorandum

On 19 September, the EEC-Turkey Association Council adopted Decision No 1/80 on the development of the Association.

The purpose of the attached draft regulation is to introduce, on the Community side, the measures required to implement this decision in respect of the step-by-step elimination of customs duties applicable to agricultural products originating in Turkey on their importation into the Community. The draft regulation covers the period from 1 January 1981 to 31 December 1982.

Proposal for

of certain agricultural products originating in Turkey

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

Whereas the EEC-Turkey Association Council by its Decision No 1/80 of
19 September 1980 decided
to abolish the customs duties still applicable to imports into the Community
of agricultural products originating in Turkey which may not yet be imported
into the Community free of customs duty;

Whereas in respect of products :

a) duties equal to or less than 2 % are to be abolished from 1 January 1981;

- b) duties of more than 2 % are to be abolished in four stages following the timetable set out below :

Timetable	Rate of reduction
As from 1 January 1981	30 %
As from 1 January 1983	60 %
As from 1 January 1985	80 %
As from 1 January 1987	100 %

- c) duties reaching a level of 2 % or less during the process of tariff dismantling are to be abolished completely;

Whereas it is necessary to take measures for the initial period beginning on 1 January 1981 and ending on 31 December 1982;

Whereas, in the case of products for which Community rules require certain import price to be observed, application of the tariff preference is subject to observance of the import price in question;

Whereas for certain products detailed rules of application laying down quantities or seasonal restrictions, have been established by exchanges of letters on (1) (2) between the Community and Turkey, account having been taken of the interests of both parties;

Whereas the step-by-step elimination of the customs duties applied by the Community to imports originating in Turkey does not conflict with the principles and mechanisms of the common agricultural policy;

(1) OJ No

(2) OJ No

Whereas the elimination of customs duties by the Community as provided for in Article 1 of this Regulation is subject to the observance of normal conditions of competition by Turkey,

HAS ADOPTED THIS REGULATION :

Article 1

1. From 1 January 1981 until 31 December 1982, products originating in Turkey which are listed in the Annex hereto shall be admitted for importation into the Community at the levels of customs duty indicated in each case.

Where the application of a specific duty results in an ad valorem charge equal to or less than 2 %, no duty shall be levied.

2. In the case of products for which Community rules require a certain import price to be observed, application of the preferential tariff shall be subject to observance of the import price in question.
3. For the purposes of this Regulation, "originating products" means products fulfilling the conditions laid down in the Association Council Decision No 4/72 of 29 December 1972 annexed to Council Regulation (EEC) No 428/73 (1), as amended by Decision No 1/75 of 26 May 1975 annexed to Council Regulation (EEC) No 1431/75 (2).

The methods of administrative cooperation for ensuring that imports of the products listed in the Annex hereto benefit from the reduced customs duties shall be those laid down in Association Council Decision No 5/72 of 29 December 1972 annexed to Council Regulation (EEC) No 428/73, as last amended by Decision No 1/78 of 18 July 1978 annexed to Council Regulation (EEC) No 2152/78 (3).

(1) OJ No L 59, 5.3.1973, p. 73.

(2) OJ No L 142, 4.6.1975, p. 1.

(3) OJ No L 253, 15.9.1978, p. 1.

Article 2

1. The reduction of customs duties by the Community as provided for in Article 1 (1) shall be subject to observance by Turkey of the normal conditions of competition defined in Articles 43 to 47 of the Additional Protocol; if a given product is found to have been the subject of dumping, aids or measures incompatible with the principles set out in the articles referred to, the Community may, without prejudice to the other provisions of those articles, reimpose the full duty on imports of that product into the Community until such time as the dumping, aids or other measures have been discontinued.
2. In the event of disturbance or threatened disturbance of the Community market as a result of the quantities or prices of Turkish exports of products benefiting from the elimination of customs duties, consultations shall be held as soon as possible within the Association Council framework; this shall not preclude the introduction of emergency measures in accordance with Community rules.

Article 3

This Regulation shall enter into force on 1 January 1981.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

For the Council
The President
