

COMMISSION OF THE EUROPEAN COMMUNITIES

COM(82) 772 final

Brussels, 29 November 1982

Proposal for a
COUNCIL REGULATION (EEC)

on imports into the Community of agricultural
products originating in Turkey

(submitted to the Council by the Commission)

COM(82) 772 final

EXPLANATORY MEMORANDUM

On 19 September 1980 the EEC-Turkey Association Council adopted Decision N° 1/80, aimed at developing the association.

The decision provided for a phasing out of customs duties on Community imports of agricultural products from Turkey over a period from 1 January 1981 to 1 January 1987.

The necessary tariff measures were set in train in Council Regulation (EEC) N° 562/81 of 20 January 1981 (1) laying down the duties to apply from 1 January 1981 to 31 December 1982 to certain agricultural products originating in Turkey.

Decision N° 1/80 of the Association Council provides that duties on agricultural products from Turkey are to be calculated with reference to the import duties applying in the Community, and the Council has therefore had to adopt a number of regulations amending Regulation (EEC) N° 562/81 in order to take account of reductions or suspensions of Common Customs Tariff duties since 1 January 1981.

This has posed problems for both the Commission departments concerned and the customs administrations in the Member States.

Specifically, there has always been a considerable lag between the changes in CCT duties and the corresponding Council regulations establishing new duties vis-à-vis Turkey, with the result that most of the regulations have had to take effect retrospectively.

(1) O.J. N° L 65, 11.3.1981, p. 1.

To avoid these problems, it is essential that the present proposed regulation, which is to give effect to the second stage of tariff dismantling under Decision N° 1/80 (1 January 1983-31 December 1984), also incorporate provisions enabling the Member States' customs administrations to fix the duties applicable to the Turkish products concerned following any suspensions or changes of CCT duties.

Proposal for
COUNCIL REGULATION (EEC)

on imports into the Community
of agricultural products originating in Turkey

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,
and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

Whereas the EEC-Turkey Association Council by its Decision N° 1/80 of
19 September 1980 decided to abolish the customs duties still applicable to
imports into the Community of agricultural products originating in Turkey
which may not yet be imported into the Community free of customs duty;

Whereas in respect of such products:

(a) duties equal to or less than 2 % are to be abolished from 1 January 1981;

(a) duties of more than 2 % are to be abolished in four stages according to
the following timetable:

Timetable	Rate of reduction
As from 1 January 1981	30 %
As from 1 January 1983	60 %
As from 1 January 1985	80 %
As from 1 January 1987	100 %

(c) duties reaching a level of 2 % or less during the process of tariff dismantling are to be abolished completely;

Whereas it is necessary to take measures for the second period beginning 1 January 1983 and ending 31 December 1984;

Whereas Common Customs Tariff duties, which directly influence the level of duties applicable under Decision N° 1/80, are often reduced or suspended and it therefore becomes necessary to adjust duties on agricultural imports from Turkey accordingly;

Whereas this Regulation should therefore contain provisions enabling the Member States' customs administrations to determine what customs duties should apply to agricultural products originating in Turkey when Common Customs Tariff duties are changed or suspended;

Whereas the Annex to this Regulation takes account of modifications or suspensions of Common Customs Tariff duties applicable on 1 January 1983 ; whereas, consequently, Member States need only take account of modifications or suspensions applicable from 2 January 1983 ;

Whereas, in the case of products for which Community rules require a certain import price to be observed, application of the tariff preference is subject to observance of the price in question;

Whereas for certain products detailed rules of application have been established as regards quantities or seasonal restrictions by the exchange of letters of 20 January 1981 (1) between the Community and Turkey, account having been taken of the interests of both parties;

Whereas the step-by-step elimination of the customs duties applied by the Community to imports originating in Turkey does not conflict with the principles and machinery of the common agricultural policy;

Whereas the elimination of customs duties by the Community, as provided for in Article 1 of this Regulation, is subject to the observance of normal conditions of competition by Turkey;

(1) OJ No L 65, 11.3.1981, p. 36.

Whereas, in accordance with Article 119 of the 1979 Act of Accession, the Community adopted Council Regulation (EEC) N° 3555/80 of 16 December 1980 determining the arrangements to be applied with regard to imports into Greece originating in Algeria, Israel, Malta, Morocco, Porgual, Syria, Tunisia or Turkey (1); whereas this Regulation therefore applies to the Member States other than Greece,

HAS ADOPTED THIS REGULATION:

Article 1

1. Products originating in Turkey which are listed in Annex II to the EEC Treaty, other than those listed in the Annex hereto, shall be admitted for importation into the Member States other than Greece free of customs duty;
2. Products originating in Turkey which are listed in the Annex hereto shall be admitted for importation into the Member States other than Greece at the levels of customs duty indicated in each case.

Article 2

1. From 2 January 1983, where Common Customs Tariff duties are reduced or suspended either temporarily or in the context of a tariff quota in relation to certain products listed in the Annex, the customs duties applying to those products originating in Turkey shall be reduced in proportion to the application of those reductions or suspensions.

(1) O.J. N° L 382, 31.12.1980, p. 1.

2. Paragraph 1 shall not apply where duties have been reduced or suspended under the system of generalized preferences or as concessions to countries which have concluded preferential agreements with the Community.
3. Where Common Customs Tariff duties are reduced or suspended subject to specific conditions, reduction of duties on imports of products originating in Turkey, as provided for in paragraph 1, shall be subject to the same conditions.
4. Duties reduced or suspended in accordance with paragraph 1 which reach a level equal to or less than 2% shall not be collected. The same rule shall apply to specific duties if their application results in an ad valorem charge equal to or less than 2%.
5. For the purposes of application of the reduced level of duty resulting from the implementation of paragraph 1, the second and subsequent decimal places shall be ignored.

Article 3

1. In the case of products for which Community rules require a certain import price to be observed, application of the preferential tariff shall be subject to observance of the price in question.
In the case of fishery products for which a reference price is fixed, application of the preferential tariff shall be subject to observance of the price in question.
2. For the purposes of this Regulation, 'originating products' means products fulfilling the conditions laid down in Association Council Decision N° 4/72 of 29 December 1972 annexed to Council Regulation (EEC) N° 428/73 (1), as amended by Decision N° 1/75 of 26 May 1975 annexed to Regulation (EEC) No 1431/75⁽²⁾.

(1) O.J. N° L 59, 5.3.1973, p. 73.

(2) O.J. N° L 142, 4.6.1975, p. 1.

3. The methods of administrative cooperation for ensuring that imports of the products referred to in Article 1 benefit from the reduced customs duties shall be those laid down in Association Council Decision N° 5/72 of 29 December 1972 annexed to Council Regulation (EEC) N° 428/73, as last amended by Decision N° 1/78 of 18 July 1978 annexed to Council Regulation (EEC) N° 2152/78 (1).

Article 4

1. The reduction of customs duties by the Community as provided for in Article 1 shall be subject to observance by Turkey of the normal conditions of competition defined in Articles 43 to 47 of the Additional Protocol; if a given product is found to have been the subject of dumping, of aid or of measures incompatible with the principles set out in the Articles referred to, the Community may, without prejudice to the other provisions of those Articles, reimpose the full duty on imports of that product into the Community until such time as the dumping, aids or other measures have been discontinued.
2. The procedure to be used for implementing paragraph 1 shall be that stipulated in Council Regulation (EEC) N° 1842/71 of 21 June 1971 on the protective measures provided for in the Additional Protocol to the Agreement of Association between the European Economic Community and Turkey and in the Interim Agreement between the European Economic Community and Turkey (2), without prejudice to the procedures defined in the Articles mentioned in that paragraph.
3. In the event of disturbances or the threat of disturbances on the Community market resulting either from quantities or prices of exports of products originating in Turkey which customs duties have been removed, consultations shall be held in the Association Council as soon as possible, without prejudice to the application, in the event of an emergency, of measures provided for in Community legislation.

(1) O.J. N° L 253, 15.9.1978, p. 1.

(2) O.J. N° L 192, 26.8.1971, p. 14.

Article 5

This Regulation shall enter into force on the third day following its publication in the Official Journal of the European Communities.

It shall apply from 1 January 1983.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels,

For the Council
The President
