Brussels, 6th September 1979

PROPOSAL FOR A COUNCIL DECISION  
AUTHORIZING THE AUTOMATIC RENEWAL OR CONTINUED  
OPERATION OF CERTAIN TREATIES OF FRIENDSHIP,  
TRADE AND NAVIGATION TREATIES AND SIMILAR AGREEMENTS  
CONCLUDED BETWEEN MEMBER STATES AND THIRD COUNTRIES

---

(submitted to the Council by the Commission)

COM(79) 451 final

Proposal for a  
COUNCIL DECISION

authorizing the automatic renewal or continued  
of certain treaties of friendship,  
trade and navigation treaties and similar agreements  
concluded between Member States and third countries

---

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic  
Community, and in particular Article 113 thereof,

Having regard to Council Decision 69/494/EEC of 16 December 1969 on  
the progressive standardization of agreements concerning  
commercial relations between Member States and third countries  
and on the negotiation of Community Agreements (1), and in  
particular Article 3 thereof,

Having regard to the proposal from the Commission,

---

(1) OJ N° L 326, 29.12.1969, p. 39

Whereas automatic renewal or continued operation beyond the end of the transitional period has already been authorized in the case of the treaties of friendship, trade and navigation treaties and similar agreements concluded by the Member States of the Community, in the last instance by Council Decision 78/1030/EEC<sup>2</sup>;

Whereas the Member States concerned have again requested authorization for the automatic renewal or continued operation of provisions governing matters covered by the common commercial policy within the meaning of Article 113 of the Treaty and contained in the treaties of friendship, trade and navigation treaties and similar agreements listed in the Annex, to avoid interrupting their commercial relations, based on agreements, with the third countries concerned;

Whereas authorization should be granted to maintain commercial relations, based on agreements, between the Member States and third countries concerned, pending their replacement by a Community system of agreements or autonomous system; whereas such authorization should not, therefore, affect the obligation of the Member States to avoid, and, where appropriate, to eliminate any incompatibility between such agreements and the provisions of Community Law;

Whereas the provisions of the agreements to be renewed automatically or continued in operation should not, furthermore, during the period under consideration, constitute an obstacle to the implementation of the common commercial policy;

---

<sup>2</sup>OJ No L 362, 23.12.1978, p.13

Whereas the Member States concerned have declared that the automatic renewal or continued operation of such agreements would not prevent the opening of Community commercial negotiations with the third countries concerned, and whereas they are willing to transfer the commercial fields covered by current bilateral agreements to such Community agreements as it is proposed to negotiate; whereas, at the conclusion of the consultation provided for in Article 2 of Council Decision 69/494/EEC, it was established, as the aforesaid statements by the Member States confirm, that the bilateral agreements concerned will not, during the period under consideration, constitute an obstacle to the implementation of the common commercial policy;

Whereas, nevertheless, the Member States concerned have stated that they would be willing to modify and, if necessary, repudiate such agreements insofar as the automatic renewal or continued operation of provisions thereof relating to matters covered by Article 113 of the EEC Treaty appear, during the period under consideration to constitute an obstacle to the implementation of the common commercial policy,

Whereas the agreements involved contain repudiation clauses requiring a period of notice of between three and twelve months;

Whereas, in these circumstances, the agreements concerned may be renewed automatically or continued in operation until 31 December 1981;

HAD ADOPTED THIS DECISION:

Article 1

The provisions governing matters covered by the common commercial policy within the meaning of Article 113 of the EEC Treaty and contained in the treaties of friendship, trade and navigation treaties and similar agreements listed in the Annex hereto may be renewed automatically or continued in operation until 31 December 1981.

Article 2

This Decision is addressed to the Member States.
