COM(75) 39 final

Brussels, 11 February 1975

Proposal for a  
REGULATION (EEC) OF THE COUNCIL

including other imports in the Annex to Regulation (EEC)  
No 109/70 establishing common rules for imports from  
state-trading countries

(submitted to the Council by the Commission)

### Explanatory Memorandum

1. In its Regulation (EEC) No 109/70 of 19 December 1969<sup>1</sup>, the Council of the European Communities established common rules for imports from state-trading countries.
2. Article 2 of this Regulation provides that the Council may, acting by a qualified majority on a proposal from the Commission, resolve that the Annex to this Regulation be extended to include other products, provided that such action is not liable to create a situation where the application of protective measures within the meaning of Title IV would be justified.
3. The Commission has observed that, as a result of liberalization measures taken by the Federal Republic of Germany, Italy and Denmark, quantitative restrictions have been abolished in all Member States for a number of products imported from Albania and the asiatic state-trading countries. It is therefore of the opinion that the Annex to this Regulation should be extended to include these products, the conditions envisaged by the Regulation being fulfilled. The rules on imports are the same throughout the Community (no quantitative restrictions), and there is nothing to suggest that the market situation might necessitate the introduction of protective measures in the near future.
4. The Commission accordingly proposes to the Council that the Annex to Regulation (EEC) No 109/70 be extended to include these products. This Annex will then include, out of 1091 CCT headings coming wholly or partially under the EEC Treaty:
  - 842 headings, of which 735 are included in full and 107 in part, liberalized in respect of Albania;
  - 841 headings, of which 735 are included in full and 106 in part, liberalized in respect of the People's Republic of China, North Vietnam, North Korea and Mongolia.

<sup>1</sup>OJ No L 19, 26 January 1970.

Proposal for a  
REGULATION (EEC) OF THE COUNCIL

including other imports in the Annex to Regulation (EEC) No 109/70  
establishing common rules for imports from state-trading countries

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 109/70<sup>(1)</sup> of 19 December 1969  
establishing common rules for imports from state-trading countries, and in  
particular Article 2 thereof;

Having regard to the proposal from the Commission:

Whereas quantitative restrictions on imports of a certain number of products  
from various state-trading countries have been abolished by all Member States;

Whereas the extension of the Annex to Regulation (EEC) No 109/70 to include  
imports of such products from these countries is not likely to create a  
situation where the application of protective measures within the meaning  
of Title IV of the said Regulation would be justified;

Whereas the Annex to Regulation (EEC) No 109/70 may accordingly be extended  
to include the imports in question, and whereas it is desirable, in order to  
ensure consistency between the common rules for imports from Albania, People's  
Republic of China, North Vietnam, North Korea and Mongolia on the one hand  
and from the other state-trading countries on the other, to extend to the  
countries in question the special conditions which under Annex VII to the  
Act concerning the Conditions of Accession and the Adjustments to the  
Treaties<sup>(2)</sup> apply to Ireland and the United Kingdom in respect of the same  
imports from other state-trading countries;
