Proposal for a  
COUNCIL REGULATION (EEC)

on the Arrangements for Imports of certain Textile  
Products originating in Taiwan

---

(submitted to the Council by the Commission)

COM(82) 851 final

EXPLANATORY MEMORANDUM

1. One of the objectives of the Arrangement regarding International Trade in Textiles (the MFA), now renewed until 30 July 1986<sup>(1)</sup>, is to prevent disruption of the market in the importing countries. As a party to the MFA, the Community decided to open negotiations to renew the current bilateral textile agreements with various supplier countries which are also parties to the Arrangement, and the Council accordingly adopted the necessary negotiating directives.
  
2. Taiwan, which is not a party to the MFA, is one of the "dominant" suppliers of textiles to the Community (the others being Hong Kong, Korea and Macao).

Arrangements for the importation of textile products originating in Taiwan are based on Commission Regulation (EEC) n° 3020/77<sup>(2)</sup>, Council Regulation (EEC) No 255/78<sup>(3)</sup>, and a number of amending regulations. This non-contractual system runs until 31 December this year. In order to prevent any disturbances to trade in textiles and clothing with Taiwan, therefore, new arrangements must be established early enough to come into force on 1 January 1983.

3. The attached proposal for a regulation has been framed to take account of the Council's "directives" for the textile negotiations, in particular those which apply to the "dominant" supplier countries<sup>(4)</sup>. It is thus in line with the aim of avoiding any discrimination between Taiwan and the other dominant suppliers, with which arrangements can be established by the negotiating process.

The proposal for a regulation, then, provides for a four-year arrangement (1983-86) including, inter alia :

./.

---

(1) Extension protocol dated 22 December 1981, concluded by Council Decision of 16 March 1982 (OJ No L83, 29 March 1982).

(2) OJ No L 357, 31.12.1977

(3) OJ No L 39, 9.2.1978

(4) Though there is no provision for negotiations with Taiwan, the Council directives name it among the dominant supplier countries.

- the establishment and allocation of Community quantitative import quotas;
- provisions dealing with : flexibility (carry-forward, carry-over, transfer, cumulation); exit from the "basket" (for products not subject to quantitative limitation); limits for products subject to quota, to prevent a "surge" of imports from one year to the next; charging against existing quotas of "fraudulent" imports (where there has been an attempt to circumvent the rules); quota management, including provisions on origin control and the documentation required for release for home use of products subject to restrictions; operations taking place under the outward processing relief arrangements.

4. As the import arrangements for the other dominant supplier countries (Hong Kong, Korea and Macao) are still being worked out, the quantitative element of the Taiwan arrangements at this stage are only partial and provisional; quotas have been set for the first six months (1 January - 30 June) of 1983, at 50% of the 1982 level (zero growth); for Group I categories, the level is 50% of the 1982 quotas reduced by 10% across the board. It would hardly have been possible to adopt a non-discriminatory approach to Taiwan without having the arrangements with the other dominant countries more firmly fixed.
5. The Commission therefore reserves the right to send the Council another proposal for a Taiwan regulation as soon as possible, to amend the one adopted in the interim (i.e. the annexed proposal); the amending proposal would contain the quantitative quotas for the whole period from 1 January to 31 December 1986, plus any other amendments needed to take account of the arrangements worked out for textile imports from the other dominant suppliers.

Proposal for a  
COUNCIL REGULATION (EEC)

on the Arrangements for Imports of certain Textile Products  
originating in Taiwan

---

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 288/82 of 5 February 1982 on common rules for imports<sup>1</sup>, and in particular Article 16 thereof,

Having regard to Council Regulation (EEC) No 1023/70 of 25 May 1970 establishing a common procedure for administering quantitative quotas<sup>2</sup>, and in particular Articles 2, 4 and 5 thereof,

Having regard to the proposal from the Commission,

Whereas Commission Regulation (EEC) No 3020/77 of 30 December 1977, as confirmed by Council Regulation (EEC) No 255/78 of 7 February 1978, on the arrangements for imports of certain textile products originating in Taiwan, and successive amendments, thereto allocate quantitative quotas in respect of imports into the Community and lay down the arrangements for imports into the Community of the products in question up to 31 December 1982;

Whereas those arrangements should be maintained beyond that date and adjusted as part of the revision of the Community's entire commercial policy on textile products;

Whereas Community quantitative quotas should be established for certain textiles originating in Taiwan, the concept of 'originating products' being defined by the Community rules in force;

---

<sup>1</sup>OJ No L 35, 9.2.1982, p.1.

<sup>2</sup>OJ No L 124, 8.6.1970, p.1.

Whereas in order inter alia to ensure compliance with the objectives of this Regulation, the release for free circulation of the products in question should be made subject to import authorization on presentation of an export document issued in Taiwan by a responsible body;

Whereas, for the years 1983, 1984, 1985 and 1986, the size of these quotas should be fixed in such a way as to allow a certain annual growth whilst avoiding substantial injury to Community producers of similar or directly competing products, and also to allow carry-over and advance drawing of quota shares as between one year and another and transfers from one category of product to another; whereas, however, specific quota volumes should initially be fixed only for the first half of 1983;

Whereas, because of the considerable disparities between the conditions to which imports into Member States of the products in question are at present subject and because of the particular sensitivity of the Community textile industry, harmonization of these import conditions can be achieved only gradually; whereas, to this end, the main criterion for the allocation of the Community quantitative quotas should be that the volumes admitted under the present import conditions should be gradually adapted to the supply needs of the markets, with significantly higher annual rates of increase for Member States in which the volumes are relatively the smallest, in order to align them gradually on the supply needs of the markets;

Whereas it is necessary to provide that neither handicraft or traditional folklore products, for which an appropriate certification system will be devised, nor products introduced into the customs territory of the Community under the inward processing rules or under other temporary admission rules and re-exported from that territory in the same state or after processing are to be set off against the abovementioned quantitative quotas;

Whereas provision should be made for introducing, where certain conditions are fulfilled, quantitative limits on textile products which are included in the import arrangements applicable to Taiwan but for which no quantitative limit has been fixed;

Whereas it should be possible, where a quantitative quota has been substantially under-utilized in one year, to restrict on certain conditions the growth of imports of the product concerned in subsequent years;

Whereas it should be possible, where it is found that products originating in Taiwan and subject to this Regulation have been imported into the Community in an attempt to evade the provisions of this Regulation, to deduct the quantity of goods concerned from the appropriate quantitative quotas established under this Regulation;

Whereas it should be possible to introduce specific quantitative quotas for products obtained under the outward processing relief arrangements;

Whereas the import arrangements at present in force expire on 31 December 1982; whereas it is necessary to provide for Transitional arrangements in respect of products shipped before 1 January 1983;

Whereas the Commission has consulted the Advisory Committee set up under Article 5 of Regulation (EEC) No 288/82,

**HAS ADOPTED THIS REGULATION:**

Article 1

From 1 January 1983 to 31 December 1986 importation into the Community of the products indicated in the categories listed in Annex I shall be governed by the provisions of this Regulation.

Article 2

1. In 1983, 1984, 1985 and 1986, importation into the Community of textile products listed in Annex II and originating in Taiwan shall be effected within the limits of Community quantitative quotas, the allocation being made in such a way as to ensure the expansion and orderly development of trade in textiles and gradual adjustment to the supply needs of the markets and also to allow for carry-over and advance drawing as between one year and another and for transfers from one category to another.

The quotas for the period 1 January to 30 June 1983 are indicated in Annex II. The quotas for the whole of 1983 and for 1984, 1985 and 1986 shall be fixed before 1 July 1983 by the Council, acting by a qualified majority on a proposal from the Commission.

2. For the purposes of the application of this Regulation, the concept of originating products, as well as the means of controlling their origin, are those fixed by the Community rules in force on this matter.
3. The release for free circulation in the Community of the products referred to in paragraph 1 shall be subject to the presentation of the import authorization referred to in Article 5(3) of Regulation (EEC) No 1023/70. Subject to the other provisions of that Article, the import authorization shall be issued by the Member States' authorities at the importer's request, on presentation by the said importer of an export document conforming to the model in Annex III, issued by the Taiwan Textile Federation.

Imports authorized in accordance with the above provisions shall be set off against the quotas established for the year in which the products were shipped in Taiwan.

For the purposes of this Regulation, shipment of the goods is considered to have taken place on the date of their loading onto the exporting aircraft, vehicle or vessel.

4. The release after 1 January 1983 for free circulation in the Community of the products covered by this Regulation shall be subject to the same import arrangements as were in force before that date, provided the products were shipped in Taiwan before 1 January 1983.

5. Should it appear that additional supplies of a product listed in Annex II are required in the Community or in a given region of the Community, the importation of amounts greater than those stipulated in the said Annex II may be authorized in accordance with the procedure laid down in Article 2 of Regulation (EEC) No 1023/70.

1. Imports of textile products belonging to the categories to which this Regulation applies, originating in Taiwan and not listed in Annex II, may be made subject to quantitative limits in the Community where the level of those imports exceeds the level of the total imports of the same product in the preceding year by the following percentages:

- for the categories of products in Group I: 0.2%
- for the categories of products in Group II: 1%
- for the categories of products in Group III: 3%

2. Where the imports referred to in paragraph 1 into a given region of the Community exceed the following regional percentage of the total amount calculated for the Community as a whole by means of the percentages shown in paragraph 1, they may be made subject to quantitative limitation in that region:

Germany	28.5%
Benelux	10.5%
France	18.5%
Italy	15%
Denmark	3%
Ireland	1%
United Kingdom	23.5%
Greece	2%

3. Such limits may not be set at an annual level lower than 106% of the volume of imports during the year preceding that in which imports exceeded the threshold established in accordance with paragraph 1, nor lower than the level established under paragraph 1, nor lower than the 1980 volume of imports of the category of products in question originating in Taiwan.

4. The limits referred to in paragraphs 1 and 2 shall be set by the Commission in accordance with the procedure referred to in Article 11.

5. The provisions for the administration of the quantitative quotas described in Article 2, and in particular Articles 2, 4 and 6 to 9 of this Regulation, shall apply to quantitative limits established under this Article, subject to any different provisions adopted in accordance with the procedure described in Article 11.

Article 4

1. The Member States may authorize imports in excess of the quantitative quotas as established by Article 2, either by carrying-over quantities not utilized from the quotas of the preceding year or by advance drawing on the quotas for the following year provided such carry-over or advance drawing does not exceed 5% of the quota being increased.
2. Member States may authorize the transfer of unused quantities in one quota to another quota only within the following limits:
  - Between categories 4 to 8 of Group I : 2.5% of the quota to which the transfer is made;
  - from the categories in Groups I, II and III to categories in Groups II or III: 5% of the quota to which the transfer is made.

The table of equivalences applying to transfers is given in Annex I.

3. The cumulative application of the flexibility arrangements set out in the preceding paragraphs may not exceed, with regard to each quota:
  - 10% for the categories in Group I
  - 11% for the categories in Groups II and III.

Article 5

1. If in a given year the level of imports into the Community or a region of the Community of a given category of Group I products listed in Annex II exceeds the level of imports in the preceding year by 10% of the Community or regional quantitative quota for the current year, the Commission may at the request of a Member State or on its own initiative decide, in accordance with the procedure described in Article 11:
  - to suspend, wholly or in part, the application of the provisions of Article 4, or
  - to modify the quantitative quota set out in Annex II by establishing an ad hoc quota below the existing quota, and
  - to make corresponding adjustments by way of compensation.
2. A quantitative quota modified pursuant to paragraph 1 in any year preceding the final year of application of this Regulation year shall be subject to a growth rate so as to ensure that the level of the quantitative limit set out in Annex II for the final year is regained in that year.
3. A quantitative quota modified pursuant to paragraph 1 may not be set at a level lower than 125% of the volume of imports attained during the preceding calendar year.
4. The provisions of paragraph 1 shall not apply to a given category unless the quantitative quota established in Annex II for that category represents at least 1% of total Community imports during 1980.
5. The provisions of paragraph 1 shall not apply to a given category unless the level of imports originating in Taiwan during the current year represent at least 50% of the quantitative quota set out in Annex II for that category

in the Community as a whole or in any region or regions of the Community concerned.

#### Article 6

Where it is found that products originating in Taiwan which are subject to quantitative quotas established under this Regulation have been transshipped, rerouted or otherwise imported into the Community in circumvention of this Regulation, the Commission may, in accordance with the procedure described in Article 11, deduct from the quantitative quotas established under this Regulation an amount equivalent to the amount of products of Taiwanese origin concerned.

#### Article 7

Specific quotas for products of economic outward processing operations fulfilling the conditions set out in Council Regulation (EEC) No 636/82 may be established in accordance with the procedure described in Article 11 in respect of the products listed in Annex II or subject to quantitative limits under Article 3.

#### Article 8

Products referred to in Article 1 which are brought into the customs territory of the Community under inward processing arrangements or under other temporary admission arrangements and re-exported from that territory in the unaltered state or after processing shall not be charged against the quotas as established in Articles 2 and 3.

Article 9

Products referred to in Article 1 will not be deducted from the quotas referred to in Articles 2 and 3 if they comply with the criteria set out below:

1. (a) fabrics, woven on handlooms entirely operated by hand or feet, of a traditional variety made by the cottage industry in Taiwan,  
  
(b) clothes or other textile articles of a traditional variety fabricated by the cottage industry in Taiwan, obtained manually from fabrics described above and handsewn without the aid of machinery,  
  
(c) hand-made traditional folklore textile products made by the cottage industry in Taiwan.
2. For the application of paragraph 1, imports must be accompanied by a certificate conforming to the model in Annex 4, issued by the Taiwan Textile Federation.

Article 10

Where reference is made to the procedure provided for in Article 11, the Committee referred to in the said Article shall, for the purposes and the lifetime of this Regulation, be the Textile Committee set up under Article 14 of Regulation (EEC) No 3059/78.

Article 11

Where reference is made to the procedure defined in this Article, the following provisions shall apply:

1. The chairman, on his own initiative or at the request of the representative of a Member State, shall refer the matter to the Committee.

2. The Commission representative shall submit draft measures to the Committee. The Committee shall deliver an opinion on the draft measures within a period which may be fixed by the chairman depending on the degree of urgency of the matters to be examined. The Committee shall decide by a qualified majority as specified in the first indent of Article 148 (2) of the Treaty. The chairman shall not vote.

3. (a) The Commission shall adopt the measures proposed where they are in conformity with the Committee's opinion.
- (b) Where the measures proposed are not in conformity with the Committee's opinion, or where no opinion has been given, the Commission shall submit to the Council without delay a proposal for the measures to be taken. The Council shall act by a qualified majority.
- (c) Should the Council fail to take a decision within one month of the date on which the proposal was laid before it, the Commission shall adopt the proposed measures.

#### Article 12

The chairman may, on his own initiative or at the request of one of the Member States' representatives, consult the Committee about any other matter relating to the operation of this Regulation.

#### Article 13

This Regulation shall enter into force on 1 January 1983.  
This Regulation shall be binding in its entirety and directly applicable in all Member States.
