modifying the Commission Directive 73/95/EEC of 26 March 1973

COM(74) 1008 final

Proposal for a Council Directive  
modifying the Commission Directive 73/95/EEC of  
26 March 1973 applying Articles 13 and 14 of the  
Council Directive of 4 March 1969, on the  
harmonisation of provisions laid down by law,  
regulation or administrative action in respect  
of inward processing.

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to the Council Directive (1) of 4 March 1969, on the harmonisation of provisions laid down by law, regulation or administrative action in respect of inward processing, as last amended by the Act (2) annexed to the Treaty on the Accession of new Member States to the European Economic Community and the European Atomic Energy Community (3) signed at Brussels on 22 January 1972, and in particular Article 28 thereof;

Whereas the Directive, (4) applying Articles 13 and 14 of the foresaid Council Directive, adopted on 26 March 1973, makes provision in Article 7 for entry into force not later than six months after its notification;

Whereas the notification took place on 6 April 1973;

Whereas for some time past the Council has been advised of a proposal of the Commission to modify the Directive of 4 March 1969 in order to ensure equal customs consideration for direct importations of products which benefit from duty free admission based on the entitlement of the consignee or on the particular destination of these products on the one hand, and on products obtained in the Community under inward processing procedures having the same consignee or destination on the other hand; whereas this proposal is of particular interest to certain important Community industrial sectors;

Whereas the entry into force of the said applying Directive on the date laid down in Article 7 thereof would set up a customs co-operation procedure which, if the proposed Directive amending Article 13 of the Directive of 4 March 1969 were approved would be rendered ineffective for deliveries, by the authorised processor, of products of those industrial sectors under the conditions mentioned above;

./.

Whereas the state of discussions on the proposed Directive for the amendment of Article 13, is such that this amendment cannot be expected in the near future;

Whereas the time-limit of six months imposed on the Member States for carrying out the measures laid down by Application Directive 73/95/EEC, is already extended to twelve months by the Commission Directive 73/325/EEC of 5 October 1973 (1); whereas the time-limit has been extended until 1st October 1974 by the Commission Directive No 74/204/EEC of 27 March 1974 (2);

Whereas for these reasons an extension of this time-limit until 30 September 1975 appears appropriate;

Whereas, without the favourable opinion of the Inwards Processing Committee, the Commission is not in a position to adopt the provisions proposed in this respect in conformity with the procedure laid down in Article 28 (3) (a) of the above mentioned Council Directive of 4 March 1969;

HAS ADOPTED THIS DIRECTIVE:

Article 1

Article 7 of the Commission Directive of 26 March 1973 applying Articles 13 and 14 of the Council Directive of 4 March 1969, on the harmonisation of provisions laid down by law, regulation or administrative action in respect of inward processing, shall be modified as follows:

"Article 7

The Member States shall bring into force the necessary measures to conform with this Directive from 1 October 1975".

Article 2

This Directive is addressed to all Member States.

The President
