

COMMISSION OF THE EUROPEAN COMMUNITIES

COM(74) 1755 final

Brussels, 30 October 1974

Draft

REGULATION (EEC) OF THE COUNCIL

on the temporary suspension of the autonomous Common
Customs Tariff duty for mechanically propelled aircraft
of an unladen weight exceeding 15 000 kg falling within
subheading No ex 88.02 B II o)

(submitted to the Council by the Commission)

EXPLANATORY NOTE

1. The Joint Group of government experts, which meets under the auspices of the Commission to study economic tariff problems, declared itself unanimously at its meeting on 9 October 1974 in favour of a continuation for 12 months of the total suspension of the autonomous duty of the Common Customs Tariff on mechanically propelled aircraft of an unladen weight of more than 15,000 kg. falling within subheading ex 88.02 B II c), expiring 31 December 1974.

2. The Commission, taking account of the Protocol no XVII annexed to the Agreement on the determination of parts of the Common Customs Tariff in respect of the products in list G annexed to the EEC treaty (see also Article 49 paragraph 2 of the Act annexed to the Treaty of Accession) and having regard to the results of the meeting, proposes to the Council a total suspension for a period of 12 months of the duty of the Common Customs Tariff on the item mentioned below.

3. Taking account of the suspension of the duty of the Common Customs Tariff for the product concerned, the new Member States are obliged to suspend their tariffs for the period in mind, in conformity with article 39 paragraph 2 of the Act annexed to the Treaty of Accession.
