ORAL QUESTION (0-73/82)

with debate pursuant to Rule 42 of the Rules of Procedure
by Mr BERKHOUWER on behalf of the Liberal and Democratic Group
to the Commission of the European Communities

Subject: Border controls

Will the Commission make every effort to promote the creation of a real customs union within the Community so that its citizens are no longer subjected to tiresome personal and baggage checks by customs officials at the Community's internal frontiers, which destroy any sense of European citizenship they might have?
