with debate pursuant to Rule 42 of the Rules of Procedure
by Mr VON WOGAU

on behalf of the Committee on Economic and Monetary Affairs
to the Council of the European Communities

Subject : Progress under the German presidency towards
completion of the internal market

At its meeting in Copenhagen, the Council of the European
Communities instructed the Council of Ministers to adopt,
by the end of June at the latest, certain decisions relating
to the completion of the common internal market.

1. What results have been achieved in the intervening period?
2. Is the presidency satisfied with these results?
3. Has provision been made beyond the term of the current presidency for meetings concerned exclusively with questions of the internal market?
4. Will the Council of Ministers give special priority to the completion of the internal market with the aim of improving the competitiveness of European undertakings, the employment situation, and the freedom of movement of European citizens?
