with request for topical and urgent debate

pursuant to Rule 48 of the Rules of Procedure

on the DAMAGE CAUSED BY THE EXCEPTIONALLY BAD WEATHER IN
NORTHERN ITALY

The European Parliament,

- A having regard to the exceptionally adverse weather conditions to which many provinces in Northern Italy, especially Lombardy and Piedmont, were subject in June 1982,
- B considering that there is a particularly urgent need to take action in favour of the affected regions, which have suffered great damage,
1. Requests the Commission of the European Communities to take into consideration the affected regions, with a view to arranging for the grant of special aid through the use of the funds for that purpose provided for in the appropriate budget chapters;
 2. Instructs its President to forward this resolution to the Council and the Commission.
