COM(77)399 final.

Brussels, 22 September 1977.

## RECOMMENDATION FOR A REGULATION (EEC) OF THE COUNCIL

on the system for guaranteeing the stabilization of earnings from certain commodities exported by the ACP States and the overseas countries and territories associated with the Community and repealing Regulation (EEC) No 158/76

---

(submitted to the Council by the Commission)

COM(77)399 final.

## EXPLANATORY NOTE

Article 16 of the Lomé Convention foresees the putting into action of a system designed to guarantee the stabilization of earnings for certain exports of raw materials from the ACP States to the Community as listed in Article 17 of the Convention.

Council Decision (EEC) No 76/568 of 29 June 1976 concerning the association of the overseas countries and territories with the European Economic Community extended the system of stabilizing export earnings to the overseas countries and territories.

ACP-EEC Council of Ministers Decision No 3 of 14 April 1977 introduced new products into the system.

In addition certain texts the adoption of which was envisaged by Council Regulation (EEC) No 158/68 of 20 January 1976 have in the meantime been introduced.

Therefore it seems sensible to list the ACP countries and overseas countries affected.

The use of the statistical data upon which the system is based implies that the Member States send details of actual imports to the services of the Commission.

This is the subject of the annexed recommendation for a Regulation, needed to replace Council Regulation (EEC) No 158/76 of 20 January 1976.

Recommendation for a Regulation (EEC) No 177 of  
on the system for guaranteeing the stabilization of earnings from certain  
commodities exported by the ACP States and the overseas countries and terri-  
tories associated with the Community and repealing Regulation (EEC) No 158/76

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and  
in particular Article 213 thereof,

Having regard to the recommendation from the Commission,

Whereas Article 17 of the ACP-CEE Convention of Lomé signed on 28 February

the overseas countries and territories with the European Economic Community (2)  
the Council extended the system of stabilization of export earnings to the  
said countries and territories ;

Whereas Council Regulation (EEC) No 158/76 of 20 January 1976 on the system  
for guaranteeing the stabilization of earnings from certain commodities  
exported by the ACP States and the overseas countries and territories asso-  
ciated with the Community (3), provides for the sending by the Member States  
to the Commission of statements of imports of the products covered by the  
system of stabilization of export earnings ;

Whereas ACP-EEC Council of Ministers Decision No 3 of 14 April 1977 has amended  
the list set out in Article 17 of the Lomé Convention ;

Whereas the ACP States and the countries and territories covered by the system  
of stabilization of export earnings should be listed ;

Whereas Regulation (EEC) No 158/76 should consequently be replaced by this  
Regulation,
