COMMISSION COMMUNICATION TO THE COUNCIL

on the negotiations between the European Economic Community and the Arab Republic of Egypt, the Hashemite Kingdom of Jordan and the Syrian Arab Republic

1. The negotiations between the European Economic Community and the Arab Republic of Egypt, the Hashemite Kingdom of Jordan and the Syrian Arab Republic for the conclusion of Agreements in the context of the overall Mediterranean policy ended on 15, 28 and 29 October 1976 respectively.

The texts of the draft agreements, protocols, declarations and exchanges of letters to be annexed to the Final Act were initialled by the Heads of Delegation, who indicated their agreement on the contents except for Article 2(1) of the financial protocols as regards the duration of the latter¹.

The Egyptian, Jordanian and Syrian Delegations requested that the Community reconsider its position on this matter and that, the better to take account of the economic and financial situation of their countries, the duration of the financial protocols be fixed at three years from the date of ratification or four years from the date of signature of the Agreement.

The initialled texts of the Agreements represent the results of negotiations conducted on the basis of the Council directives of 16 January 1976 and the supplementary directives of 15 September 1976.

2. A decision on the request presented by the three countries must be taken by the Council. Since the request concerns the only point outstanding, the resolution of which would permit the negotiations to be concluded, the Commission considers that a response should be made to the preoccupations expressed by the countries in question. To that end the Commission suggests that the date of expiry of the financial protocols with the three Mashreq countries be fixed as

31 October 1981, that is the same date of expiry as the financial protocols concluded with the three Maghreb countries.

The Commission considers that such a solution would enable the negotiations to be concluded and thus set in motion the procedures for the signature and conclusion of the Agreements. The Commission accordingly transmits herewith to the Council recommendations for regulations concluding the Agreements (Annex I).

The Commission points out that the Heads of the Egyptian, Jordanian and Syrian Delegations have asked that the procedures be completed in time for the Agreements to be signed in their capitals before the end of 1976.

3. The Commission also informs the Council that the delegations have stated in an exchange of letters their readiness to sign, at the same time as the Agreements, interim agreements on the advance implementation of the trade provisions of those Agreements. The Commission accordingly transmits herewith to the Council a recommendation for a decision authorizing the Commission to open negotiations for the conclusion of interim agreements (Annex II).

4. During the negotiations, moreover, the Egyptian, Jordanian and Syrian Delegations asked that the Council be informed of their Governments' formal request that Commission delegations be established in Egypt, Jordan and Syria. The mission of these delegations would be to ensure and facilitate the implementation of the Agreements concluded with the countries in question, in particular as regards economic cooperation, and also to facilitate the management of the amounts committed in those countries in respect of financial and technical assistance.
