ORAL QUESTION (0-51/76)

DOCUMENT 320/76

with debate pursuant to Rule 47 of the Rules of Procedure

by Mrs KRUCHOW, on behalf of the Liberal and Allies Group

to the Commission of the European Communities

Subject: Women in the Europe of the Nine

1. Can the Commission say what lessons it has drawn from the study by Evelyne Sullerot on 'Employment of women and the problems connected with it in the Member States of the European Community'?
2. Does the Commission plan any follow-up to the conference it organised in March 1976 on the theme 'Women in the European Community'?
3. Does not the Commission feel that, in view of the forthcoming elections to the European Parliament by direct universal suffrage, something must be done to create more interest among women?  
If so, how does it intend to go about this?
