with request for debate by urgent procedure,  
pursuant to Rule 14 of the Rules of Procedure

on the use of Community funds in the Friuli  
region

PE 46.436

The European Parliament,

- having regard to the great distress and hardship being endured by the people of Friuli as a result of the earthquakes in May and September this year,

Urges the Council and Commission to authorize expenditure of funds for the earliest possible provision of prefabricated homes and caravans and not to confine aid purely to problems of infrastructure.
