DOCUMENT 406/76/ANNEX

### OPINION

of the Committee on Budgets

on the proposal from the Commission of the European Communities to the Council (Doc. 359/76) for a regulation on the autonomous and special arrangements for beef and veal products originating in some signatory states of the ACP-EEC Convention of Lomé

Letter from the first vice-chairman of the committee to Miss C. FLESCH, chairman of the Committee on Development and Cooperation

Luxembourg, 17 November 1976

Dear Miss Flesch,

At its meeting of 17 November 1976 the Committee on Budgets, asked for its opinion, discussed the financial and budgetary implications of this proposal.

It noted the lack of information and justifications regarding the budgetary impact of this proposal and, in particular, its effect on the Community's own resources.

However, since the proposal is relatively urgent and requires a speedy decision and since it concerns the states associated with the Community, the Committee on Budgets has decided to deliver a favourable opinion.

Yours sincerely,

Heinrich AIGNER

First vice-chairman

Present: Mr Aigner, first vice-chairman and acting chairman;  
Lord Bessborough, Lord Bruce of Donington, Mr Clerfayt, Mr Notenboom  
and Mr Shaw.
