14 DECEMBER 1976

DOCUMENT 486/76

MOTION FOR A RESOLUTION

tabled by Mr BANGEMANN on behalf of the Liberal
and Democratic Group

and

Mr VERNASCHI on behalf of the Christian-
Democratic Group

with request for debate by urgent procedure
pursuant to Rule 14 of the Rules of Procedure

on/unfavourable developments on the malt market

The European Parliament,

1. Condemns the Commission's refusal to hand over to Parliament's Control Sub-Committee the document prepared by the Commission's financial control service on unfavourable developments on the malt market;
2. Had the Commission's term of office not been expiring at the end of the month, would have voted under Article 144 of the EEC Treaty on the motion of censure already tabled, since a genuine institutional conflict between Parliament and the Commission is involved;
3. Should the new Commission likewise refuse to hand over the required documents to Parliament as agreed, will vote on the motion of censure at its February part-session;
4. Instructs its President to forward this resolution to the Commission.
