~~/~~nuclear tests

---oOo---

The European Parliament,

- anxious to strengthen the rule of law in international affairs;
  - concerned about the risk of contamination from nuclear testing;
  - desirous of enhancing the reputation of the Community in the forum of world opinion;
1. Disapproves of nuclear testing anywhere in the world, regardless of the States responsible;
  2. Calls for general and controlled nuclear disarmament;
  3. Invites the Council of the European Communities to advise all Member States of the Community to take the necessary steps to secure acceptance of such a policy at world level;
  4. Instructs its President to forward this resolution to the Council and Commission of the European Communities.
