pursuant to Rule 14 of the Rules of Procedure

on emergency aid to Nicaragua

The European Parliament,

- having regard to the serious situation in Nicaragua, where 300 tonnes of food supplies are needed every day to prevent people dying from starvation,
  - whereas, if this situation is not alleviated, it could seriously disrupt the climate of national unity,
1. Requests the Council and Commission, as an emergency and exceptional measure, to send food supplies from Community stocks, in particular, corn, butteroil and powdered milk;
  2. Instructs its President to forward this resolution to the Council and Commission.

REASONS SUPPORTING REQUEST FOR URGENT DEBATE

It is important to debate this motion for a resolution at the present part-session in view of the serious food situation in Nicaragua and of the need for the European Parliament to state its position as soon as possible.
