FOR IMMEDIATE RELEASE

## EUROPEAN COMMUNITY PUBLISHES DETAILED 1974 FOREIGN TRADE STATISTICS

The European Community has just published its statistical break-down of foreign trade ("NIMEXE") in 1974.

The publication is a multilingual, 6,000-page, 13-volume edition. In the first 12 volumes (A-L) external trade, by value and volume, is broken down, in product order, by country of origin or destination, applying the NIMEXE six-figure nomenclature. In the thirteenth volume, trade is broken down in order of country of origin or destination, by product, applying the NIMEXE two-figure classifications.

All 13 volumes -- "Analytical Tables of EC External Trade (NIMEXE) 1974" -- can be purchased for \$108.50. Prices of individual volumes follow:

|                                     |                                 |         |
|-------------------------------------|---------------------------------|---------|
| Volume A: Chapt. 1 - 24             | Agricultural products           | \$14.50 |
