ORAL QUESTION WITH DEBATE (O-61/82)

pursuant to Rule 42 of the Rules of Procedure
by Mr SELIGMAN on behalf of the European Democratic
Group

to the Commission of the European Communities

Subject : Non-proliferation Treaty

Is the Commission satisfied that the International Atomic Energy Agency is exercising its responsibilities at the world level in such a manner that the Agency's credibility is maintained, or better still enhanced ?

Is the Commission concerned about the effectiveness of safeguards in countries which are not signatories of the Non-Proliferation Treaty, particularly the Argentine, Brazil, India, Israel, Pakistan and the Republic of South Africa ?

Is there cause for disquiet about moves by these countries towards the possession of nuclear explosives ?

.../...

Is the International Atomic Energy Agency devoting its human and financial resources on inspections and verifications disproportionately in the Community relative to other parts of the world ?
