DOCUMENT 1-225/82

MOTION FOR A RESOLUTION

tabled by Mrs Anne-Marie LIZIN

pursuant to Rule 47 of the Rules of Procedure

on the harmonization of national rules on
maintenance claims in the event of divorce

The European Parliament,

- aware of the unfair situations caused by failure to pay or by delay in paying maintenance, particularly for children, in the event of divorce,
 - aware that Member States' laws on the subject differ,
 - bearing in mind the work carried out on the subject by the Council of Europe,
1. Considers that the governments should be encouraged to introduce a system for paying advances from a State Fund on sums payable in respect of children and to strengthen the means of recovering such advances;
 2. Instructs its committee responsible to draw up a report on the subject.
