pursuant to Rule 47 of the Rules of Procedure

on suspension of the disciplinary proceedings against  
Hans MEISTER

The European Parliament,

- A. having regard to the case of Mr Hans Meister, telecommunications engineer with the Deutsche Bundespost (German Post Office), against whom disciplinary proceedings are being taken with the aim of 'dismissal from the service' because of his membership of the German Communist Party,
  - B. whereas in October 1981 in the first case of this kind the Federal Administrative Court, as the court of appeal, dismissed Mr Hans PETER, who had worked as an official in the telecommunications service for 30 years,
  - C. whereas in addition to the proceedings against Hans Meister ten further cases against post office officials have been pursued with renewed vigour recently,
  - D. whereas the practice of banning people from employment in the public sector ('Berufsverbot') in the Federal Republic of Germany, has developed alarmingly, particularly over the last six months,
1. Calls on the Government of the Federal Republic of Germany to put an end to 'Berufsverbot' at national and Land level;
  2. Calls on the present Minister of Posts to suspend the disciplinary proceedings against Hans Meister before the formal hearing planned for November in Stuttgart is held;
  3. Instructs its President to forward this resolution to the Government of the Federal Republic of Germany.
