MOTION FOR A RESOLUTION

tabled by Mr MARSHALL and 43 others

pursuant to Rule 47 of the Rules of Procedure

on the sale of subsidised butter to the confectionery industry

.

PE 85.949

The European Parliament,

- A. noting the increasing amount of butter being stored in the Communities,
 - B. recognising the need to increase consumption within the Community,
 - C. realising that the Community's failure to allow the confectionery trade to buy subsidised butter distorts competition between it and the biscuit industry which is allowed to buy subsidised butter,
 - D. accepting that the confectionery industry would increase consumption of butter if it could purchase subsidised butter,
1. Calls on the Commission to allow the confectionery industry to buy subsidised butter;
 2. Instructs its President to forward this resolution to both the Council and the Commission of the European Communities.
