OPINION

of the Committee on Budgets

Letter from the chairman of the committee to Mr BEUMER,  
chairman of the Committee on Youth, Culture, Education,  
Information and Sport

Strasbourg, 28 October 1983

Subject: Opinion of the Committee on Budgets on the communication from the  
Commission to the European Parliament and the Council on stronger  
Community action in the cultural sector (COM(82) 590 final)

Dear Mr Beumer,

The Committee on Budgets considered the communication referred to above  
at its meeting of 26 October 1983.

It noted that in 1983 measures in the cultural sector accounted for 1,595,000 ECU  
(payment appropriations) i.e. 0.00696% of the budget (taking into account Supplementary  
and amending budget No. 1/83).

While reserving the right to deliver an opinion on the financial implications  
of the specific measures which the Commission will submit in future, the Committee  
on Budgets approved the principle set out in the communication of stronger Community  
action in the cultural sector by 15 votes to 1.

Yours sincerely,

(sgd) Erwin LANGE

The following took part in the vote: Mr LANGE, chairman; Mr ADONNINO, Mr ARNDT,
