DOCUMENT 1-214/83

MOTION FOR A RESOLUTION

tabled by Mrs LIZIN

pursuant to Rule 47 of the Rules of Procedure

on the situation in Wallonia

The European Parliament,

- A - aware of the need, recognized by the Treaties, to ensure harmonious and balanced development of the regions of Europe,
- B - aware of the serious economic decline suffered by Walloon industry, affecting iron and steel production, non-ferrous metal-works and foundry activities ...,
- C - aware also of the adverse trends affecting agriculture in Wallonia, which is being dominated by agriculture from the north of the country,
- D - aware that Wallonia is the region of Europe which for ten years has suffered the most marked economic decline,

calls for

the convening of a special conference for the purpose of proposing specific measures for Wallonia and

1. of enabling Walloon representatives to meet ERDF, Social Fund and EAGGF representatives to consider the possibility of special arrangements;
2. of proposing that special funds be made available to finance reconversion in Wallonia.
