DOCUMENT 550/77

MOTION FOR A RESOLUTION

tabled by Mr DEWULF, Mr SPENALE,
Lord REAY, Mr SANDRI and Miss FLESCH

with request for an immediate vote
pursuant to Rule 47 (5) of the Rules of Procedure

to wind up the debate on the oral question
(Doc. 525/77)

on the CIEC and the North-South dialogue.

The European Parliament,

- having regard to the debate it has just held on the CIEC - North-South dialogue,
- recalling its previous debates on this question,
- 1. Emphasizes the highly political, urgent and far-reaching nature of this matter and fully recognizes the world-wide implications of the debate begun after the CIEC ;
- 2. Notes the importance of this debate for the European Community as regards both its internal development and its external relations, and stresses the important active role which the Community can and should play, provided that it speaks with one voice ;
- 3. Reaffirms the urgency of establishing the priorities and a timetable for the work to be done, with a view to active Community participation in the preparation and conduct of the United Nations Extraordinary General Assembly in 1980, which is to be devoted to all aspects of this matter ;
- 4. Expects the Council and Commission to keep it regularly informed on global and sectoral developments in this field ;
- 5. Instructs its Committee on Development and Cooperation to study this vital matter closely in the report in preparation and subsequent reports providing periodic information on the state of progress.
