tabled by Mr SARRE, Mr JAQUET, Mr ESTIER,
Mr PISANI and Mrs VAYSSADE,

on behalf of the Socialist Group

pursuant to Rule 25 of the Rules of Procedure

on the events in Iran

The European Parliament,

- considering the scale and implications of the events that have occurred in Iran, and anxious to gain an insight into the deeply rooted motives underlying them,
 - wishing to lend substance to its commitment to human rights and freedoms,
 - having regard to the need to promote every kind of link between Iran and the European Community,
 - aware that it can play a special role in bringing forward the release of the hostages at present held in Teheran,
 - appreciating the objectiveness of the work being carried out by the international commission of inquiry and the prestige of the members of that body, set up under the aegis of the United Nations Organization,
1. Requests the international commission of inquiry into the crimes committed by the imperial dictatorship of Iran to submit to the European Parliament the results of its investigations and the conclusions it has reached;
 2. Instructs its President to contact the members of the United Nations commission accordingly and to find the appropriate procedure for such an approach.
