ORAL QUESTION (0-93/83)

with debate pursuant to Rule 42 of the Rules of Procedure  
by Mr FANTI and Mr PIQUET  
on behalf of the Communist and Allies Group  
to the Commission of the European Communities

Subject: Decisions to be taken on four subjects of the  
negotiations taken as a whole

whereas the Stuttgart European Council has declared itself in  
favour of a genuine overall compromise with regard to the  
decisions to be taken on four subjects of negotiation taken as a  
whole (CAP, structural funds, financing of the Community and  
correction of imbalances, EMS and new policies),

whereas the European Parliament has stated clearly that any  
proposal for the correction of financial imbalances in isolation  
from the other aspects is unacceptable,

having regard to the undertakings repeatedly made by the Council  
that it will take into account the opinions expressed by the  
European Parliament on the above-mentioned topics and that it will  
involve Parliament itself;

PE 86.971

1. What stage has the negotiation reached?
2. Have the above-mentioned criteria and undertakings been observed?
3. What guarantee can the Commission give so as to avoid biased or unsatisfactory results, as occurred in the case of the mandate of 30 May 1980?
