MOTION FOR A RESOLUTION

tabled by Mr ALMIRANTE, Mr BUTTAFUOCO,
Mr PETRONIO and Mr ROMUALDI

pursuant to Rule 47 of the Rules of Procedure

on the Community motor vehicle market

PE 78.533

The European Parliament,

- (a) considering the predominant role of the motor vehicle industry in the economies of the Member States;
 - (b) having regard to the high percentage of employment created by this market, including all the industries involved in the manufacture of the finished product;
 - (c) noting that national compartmentalization causes fluctuations in the purchase price for the same model and the make of car between individual countries of the Common Market;
1. Calls on the Commission to draw up a series of measures to bring uniformity to the Community motor vehicle market;
 2. Urges the Council and the Commission to ensure that Community regulations on competition, as laid down in the Treaty of Rome, are respected;
 3. Instructs its President to forward this motion for a resolution to the Council and the Commission.
