OPINION OF THE COMMITTEE ON BUDGETS

Letter from the Chairman of the Committee to Mr CURRY, Chairman of the Committee on Agriculture

4 December 1983

Subject: . Opinion of the Committee on Budgets on the proposal for a Council Regulation (EEC) amending Regulation (EEC) No. 652/79 on the impact of the European monetary system on the common agricultural policy (Doc. 1-940/83) - COM(83) 586 final - second proposal)

Dear Mr Chairman,

At its meeting of 5-7 December 1983, the Committee on Budgets examined the abovementioned proposal for a regulation.

The Committee on Budgets fully supports the proposal by the Commission of the European Communities to confirm the use of the ECU once and for all as the unit of account for the common agricultural policy and to remove the temporary limit provided for in Article 5 of Regulation (EEC) No. 652/79.

Lastly, the Committee on Budgets takes note that this proposal for a regulation has no financial effect either on the current situation or on the draft budget for 1984.

This opinion was adopted unanimously <sup>1</sup>.

Yours sincerely,

Hendrick J. LOUWES  
draftsman
