DOCUMENT 1-849/83

MOTION FOR A RESOLUTION

tabled by Mr ANTONIOZZI and Mr GIUMMARRA

pursuant to Rule 47 of the Rules of Procedure

on the Mediterranean programmes in respect of
Italy

PE 86.978

The European Parliament,

- A. having regard to the need for special attention to be given once more to the areas of Europe in which more active measures for further development are required,
- B. recalling the objectives mentioned in the preambles to the Treaties and in subsequent Community decisions on regional, social and Mediterranean policy,
- C. having regard to the special position and situation of Italy in southern Europe as well as the need for measures in various infrastructure and production sectors including agriculture, small and medium-sized undertakings, the craft trades, energy, fisheries and aquaculture and public and production infrastructures,

Requests that:

- 1. the integrated Mediterranean programmes relating to Italy should receive careful consideration;
- 2. the financial resources available should be fixed urgently, and in this connection approximately 3.3 billion should be spent in Italy in the next five years in conjunction with the appropriations from the Fondo Investimenti ed Occupazione (Investment and Employment Fund) to cover urgent employment requirements, especially those of young people;
- 3. this resolution should be forwarded to the Council of Ministers, the Commission of the European Communities, the Economic and Social Committee, the Italian Government and the Italian regions.
