MOTION FOR A RESOLUTION

tabled by Mr PEARCE

pursuant to Rule 47 of the Rules of Procedure

on the part of the European Parliament in the  
Community's budgetary process

The European Parliament,

- wishing to avoid the inconsistency of voting a budget and then proposing measures involving expenditure where the proposed level of expenditure does not correspond to the budget figures,

1. Resolves that it will not in future bring to a conclusion its part in the Community's budgetary process each year until the Commission and Council give an undertaking that other spending proposals made by them relating to the year in question shall not involve expenditure higher than that budgeted for;
2. Further resolves that it shall not itself make proposals which would cause expenditure exceeding that budgeted for in the year in question.
