on behalf of the Group of European Progressive

with request for topical and urgent debate
pursuant to Rule 48 of the Rules of Procedure

on the need to adjust agricultural prices

The European Parliament,

- noting the change in parities within the European Monetary System,
 - anxious to prevent trade in agricultural products in the Community from being affected by variations in exchange rates,
1. Refers to its constant opposition to the principle of monetary compensatory amounts, since they cause unfair competition in intra-Community agricultural trade;
 2. Calls for an immediate readjustment of the green currencies corresponding to the adjustment of exchange rates of 4 October to ensure the maintenance of farmers' incomes;
 3. Instructs its President to forward this resolution to the Council and the Commission of the European Communities.
