DOCUMENT 1-571/81

MOTION FOR A RESOLUTION

tabled by Mrs SCRIVENER

on behalf of the Liberal and Democratic Group

with request for topical and urgent debate  
pursuant to Rule 48 of the Rules of Procedure

on the danger of importing harmful products  
into the Community for human consumption

The European Parliament,

- having regard to the accidents, some of them fatal, which have occurred in Spain in recent months through the use of inedible oil in food;
  - whereas it is to be feared that certain products imported into various Community countries might have been manufactured using this dangerous oil;
1. Urgently requests the Commission to investigate the situation described above and inform it of any accidents which might have occurred in the Community;
  2. Stresses the need for the Community to devise a system allowing prompt withdrawal from the market of any product considered dangerous to consumer health;
  3. Instructs its President to forward this resolution to the Council and Commission.
