OPINION OF THE COMMITTEE ON BUDGETS

Letter from the chairman of the committee to Mr CURRY, chairman of the Committee on Agriculture

Brussels, 17 June 1983

Subject: Proposal for a Council Decision on the accession to the Convention on fishing and conservation of the living resources in the Baltic Sea and the Belts as amended by the Protocol of the Conference of the Representatives of the States Parties to the Convention signed in Warsaw on 11 November 1982 (Doc. 1-281/83)

Dear Mr Curry,

The Committee on Agriculture considered the abovementioned proposal for a Council Decision at its meeting of 15/16 June 1983.

According to the figures given in the Commission's financial statement, the cost of Community accession to this Convention would be roughly 10,000 - 17,000 ECU per annum in the form of a contribution to the Convention budget.

The Committee on Budgets raised no objections to the Commission's proposal.

Yours sincerely,

Erwin LANGE

OPINION OF THE  
COMMITTEE ON THE ENVIRONMENT, PUBLIC HEALTH  
AND CONSUMER PROTECTION

Letter from the chairman of the committee to Mr Curry,  
chairman of the Committee on Agriculture

Subject: Proposal for a Council Decision on the accession to the Convention on fishing and conservation of the living resources in the Baltic Sea and the Belts as amended by the protocol of the conference of the representatives of the states party to the Convention (COM(83) 191 fin.) signed in Warsaw on 11 November 1982

Luxembourg, 22 June 1983

Dear Mr Chairman,

The Committee on the Environment, Public Health and Consumer Protection considered the above proposal at its meeting of 22 June 1983.

The purpose of participation by the Community in this Convention is to take over the rights and obligations of two Member States which were already contracting parties to this international fisheries agreement and, by so doing, to promote broader cooperation for the coordination of management and conservation of all species of fish and other living resources of the sea in the territory covered by the Convention.

The committee therefore fully supports the proposal that the Community should be a contracting party to the Gdansk Convention.

Yours sincerely,

(sgd) K. COLLINS
