DOCUMENT 1-295/80

MOTION FOR A RESOLUTION

tabled by Mrs LIZIN, Mr DELMOTTE and Mr RADOUX
pursuant to Rule 25 of the Rules of Procedure
on the position of refugees in Somalia

The European Parliament,

- aware of the worsening plight of refugees in Somalia, where 1,500,000 are suffering from famine, epidemics, plague and cholera,
- believing that substantial material and financial aid should be made available to save the lives of the hundreds of thousands of men, women and children who have been abandoned on all sides,
- believing that Europe cannot remain indifferent to their fate and that it should provide its share of the aid required,

CALLS ON

the Commission and the Council to change their present attitude and release the necessary funds to provide a substantial amount of aid in view of the urgency of the problem.
